

APPEAL NO. 040472
FILED APRIL 21, 2004

This appeal arises pursuant to the Texas Workers' Compensation Act, TEX. LAB. CODE ANN. § 401.001 *et seq.* (1989 Act). A contested case hearing was held on February 5, 2004. The hearing officer determined that: (1) the compensable injury of _____, does not extend to and include headaches, cervical strain with radiculopathy and disc herniation, and lumbar strain with disc herniation; and (2) the appellant (claimant) did not have disability from November 1, 2002, through the date of the hearing. The claimant appeals these determinations on sufficiency of the evidence grounds. The respondent (carrier) urges affirmance.

DECISION

Affirmed.

The hearing officer did not err in making the complained-of determinations. The determinations involved questions of fact for the hearing officer to resolve. The hearing officer is the sole judge of the weight and credibility of the evidence (Section 410.165(a)) and, as the trier of fact, resolves the conflicts and inconsistencies in the evidence, including the medical evidence (Texas Employers Insurance Association v. Campos, 666 S.W.2d 286 (Tex. App.-Houston [14th Dist.] 1984, no writ)). In view of the evidence presented, we cannot conclude that the hearing officer's determinations are so against the great weight and preponderance of the evidence as to be clearly wrong or manifestly unjust. Cain v. Bain, 709 S.W.2d 175, 176 (Tex. 1986).

The decision and order of the hearing officer is affirmed.

The true corporate name of the insurance carrier is **(a self-insured governmental entity)** and the name and address of its registered agent for service of process is

**MANAGER
(ADDRESS)
(CITY), TEXAS (ZIP CODE).**
